- Adjustable guide combs

Design
- Easy grip: Side panels

Accessories
- Cleaning brush

Service
- 2-year guarantee

Highlights

Built to last
All of our grooming products are built to last. They come with a 2-year worldwide guarantee and worldwide voltage compatibility; they never need to be oiled.

Easy to clean

Simply pop the head open and use the included cleaning brush to sweep away the loose hairs.

Self-sharpening steel blades
The steel blades lightly brush against each other, so they sharpen themselves as you trim! The blades stay extra-sharp to always cut hairs neatly and effectively, but have rounded tips to protect your skin.

Corded use only
Power cord provides constant power

Follows every curve
Gently follows the contours of your head for a fast, even and comfortable haircut.

11 locking length settings
The single adjustable comb provides length settings from 3mm to 21mm, with precisely 2mm between each length. Or you can use it without a comb for a close 0.5mm trim.
